

Instructional Materials

The Board is responsible for the final approval to purchase necessary instructional materials used in the School District. All instructional materials will be selected based on their ability to provide quality learning experiences for students in that:

- Enrich and support the curriculum;
- Stimulate growth in knowledge, literary appreciation, aesthetic value, and ethical standards;
- Provide background information to enable students to make intelligent judgments;
- Present opposing sides of controversial issues;
- Represent the many religious, ethnic, and cultural groups that contribute to our American heritage;
- Depict in an accurate and unbiased way the cultural diversity and pluralistic nature of the American society; and
- Match the appropriate skill levels of pupils.

Basic instructional course material in the fundamental skill areas of language arts, mathematics, science and social studies shall be reviewed by the Superintendent or designee at intervals not exceeding five (5) years. All instructional materials must be sequential, and must be compatible with previous and future offerings.
