*Report of Post High School Enrollment in College or Universities
Class of 2014-2016
Hopkinton School Board
October 3*

Preamble

This report provides information on the enrollment status (College or University) of Hopkinton High School student after graduation. This information is provided through the National Student Clearinghouse. The National Student Clearinghouse is a not-for-profit, a non-governmental agency that provides services for secondary and post-secondary institutions.

Background

- The process to obtain this information became manageable through Naviance. Naviance is directly connected to the National Clearinghouse.
- The National Student Clearinghouse is linked to 98% of all colleges and universities.
- The first year of data integration: National Student Clearinghouse and Naviance is 2014.
- Ms. Fisher, Registrar at Hopkinton High School was a great help in obtaining information for this report.
