

Floor Plan & Details

A *Library Survival Sheet*
from the Hopkinton High School & Hopkinton Middle School Library

The Hopkinton High School Library is where to go when you need to know. It contains about 14,000 items in support of our school curriculum: books, magazines, DVDs, newspapers, MP3s, CDs, internet resources—the works. What's not on the shelves or on the net can often be organized for you via inter-library loan. And we have librarians to help you learn to find and use the information that you need. *If you don't find it, ask for it.*

Floor Plan

Details
