Last night we held our second Annual **Spaghetti Dinner** to benefit the HMS playground and it was a rousing success. Thanks to your participation, we served over 300 meals and raised more than last year's total of \$1500. We also received a sizable **donation** from the **After School Program** to support the cause. The money will go toward increasing student opportunities and safety on the playground including basketball hoops. The Playground Committee will continue to update all of you on the progress.

The **Common Man Restaurant** has donated coupons (buy one entree, get one half-off) for those privileged to be **Hopkinton PTA members**. There's one coupon per member and you can pick these up from Betsy in the office.

Due to a conflict with the high school gym tomorrow (Saturday), the last **Biddy Ball** session of the year will be held right here in the HMS Multi Purpose Room instead of the high school. Please forward this info to anyone who might benefit from it.

Have a wonderful weekend,
Bill Carozza, Principal
