Parent Flash

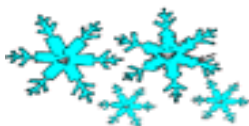

School Board Candidate Night

At HMS

February 18
6-8 PM

The big topic among both staff and parents lately has centered on the **calendar**, given that we have had so many snow days, early dismissals, and delayed openings. The inconsistency of our school days lately does make a difference in the lives of our children, and rest assured, the district is working hard to devise a calendar next year that takes all of these factors into account for all three schools. In the meantime, we all learn how to be a bit more flexible.

I hope you'll join me for the rescheduled (due to delayed opening) **Coffee With Carozza** next Tuesday February 12, at 8 AM in the school library. It's a great chance to chat with fellow parents and me and ask any questions you may have.

Join us for the **PTA Family Movie Night** next Friday night, February 15. The selection is Disney's *Ratatouille* and the movie will begin at 6:30 PM at Maple Street School. We invite all families of children in grades P-6 but we ask that all students are accompanied by an adult. There's a \$1.00 donation.

Have a wonderful weekend!

COMMUNITY NEWS

Events listed under Community News do not necessarily indicate endorsement from Harold Martin School or the Hopkinton School District but are provided as a community service.

**Block Building
for All Ages**

Bring your inter-locking blocks to the Hopkinton Town Library on Wednesday, February 27 (vacation week) at 11 AM. Local architect Jim Loft will be on hand and everyone will have the opportunity to build! This program is open to all ages. Please sign up at the front desk or call 746-3663 to register.

Tumbling Tots

Tumbling Tots has been a huge success since its start in October. Sara Greene has been a great instructor. Sara will be heading back on the road with the circus for about six months and we will have our last class on February 21. She will be back in September and we will start up again. So whether you have been missing all the fun or have been here every week, come on out for the final weeks. This is an opportunity for children ages 2-5 years old (walking) to fine-tune their developmental motor skills,

while interacting with other kids their age. Your children will participate in physical activity, while having a fun, energetic time.

Classes are held at Columbia Hall every Thursday from 10am – 10:45am & 3pm – 3:45pm. Cost is \$3.00 per class. Please call 746-2915 for more information
