Bike Helmets

Order forms for the annual PTA bike helmet sale should be coming home with your kids this week. This is not a fundraiser; helmets are sold at a greatly reduced price as a service to our school community. Look for flyers from HMS and MSS and be sure to complete your order before Monday, April 9th. If you do not receive an order form or have any questions, contact Liz Durant at 746-3040.

Americans by nature are work-a-holics. According to a study by the National Sleep Foundation, the average employed American works a 46-hour work week; 38% of the respondents in their study worked more than 50 hours per week. While I'm not suggesting that we diminish our commitment to our jobs, we also have to be careful with the example we set for our children. My best memories as a child are the vacations and celebrations that we took time for involving our entire family.

Likewise, the Harold Martin family likes to have occasional celebrations so that we can stop and appreciate each other and the blessings we have in life. It should come as no surprise that the Red Sox and the start of the baseball season in general is a hallowed time for many of us. So to celebrate the beginning of the baseball season (and the Red Sox home opener), we are marking **Tuesday April 10 as Baseball Opening Day Celebration at HMS.**

We encourage your children to wear their favorite baseball hats and apparel (of any team!) and our kitchen will be serving a special meal that day as well.

A reminder that the next **Coffee with Carozza is April 4 at 8 AM.** I hope you can take some time that morning to chat with your neighbors and me.

Have a great weekend.

Sincerely,

Bill Carozza
