6/15 Move Up Day

I was talking to an accountant this morning during our Coffee with Carozza and it occurred to me that the month of June for us every year parallels her tax season prior to April 15. There are so many events, transition meetings, and details to complete, but for us Type A personalities, we plow through it with abandon.

As we head into the summer, I would like to see our **Destination Imagination** program (formally Olympics of the Mind) grow a bit during our next school year. Taken from the NH DI web site...

*Destination ImagiNation is the World's largest creative problem solving program in which teams of up to seven students in similar ages learn to apply what they learn in and outside of school to challenges that have numerous disciplines.*

*The focus is teamwork, applying knowledge, using creativity, and bringing your - the students - personal talents to the team. The*

*management skills, experience in leveraging creativity in a team setting for tangible results and, as all the challenges must be done by the team, self reliance.*

*The important part: This is a kids hands-on, parents hands-off educational program.*

The key at this point is that we need parents to mentor teams and we need a coordinator for the town of Hopkinton, which is sponsored by the school district. If this kind of creativity and team building is what you want your children to experience, contact Karen Mayo at 746-4494 or at [nhmayofamily@comcast.net](mailto:nhmayofamily@comcast.net). You can always contact me as well.

Have a great weekend!

**3<sup>rd</sup> Annual  
School's Out Cookout!**

Come down and kick off the summer with the **Boys & Girls Club of Hopkinton** at the 3<sup>rd</sup> Annual School's Out Cookout. The party begins Friday, **June 15<sup>th</sup>** at 3:00 at the Spirit Skate Park.

Feast on grilled fare, sno cones and ice cold drinks – all free of charge. **Open to children of all ages**, the party will feature hit music, a bounce house, field games, and a favorite tradition – Dunk the Principal. Come take a hand at cooling off Maple Street School Principal Michael Bessette for the second year in a row.

“This event is the highlight of the year for us,” stated Club director Carol Morse. “We have endless support from the school, townspeople and local business and this is a great way for us to give back and start the summer.”

The School's Out Cookout has grown from a small party to a community event over the past

few years – last year hosting over 200 community youth.

The Boys & Girls Club would like to **thank the donors** that help to make this project possible: Colonial Village, Frank Tansey, Bill Chapin Sr., Owen and Rita French, the Reale family, Hopkinton Fire Department, and the endless volunteers that spend the day cooking and helping make it fun.

Don't miss out on a day of good family fun. If you would like more information, please contact Jeff Smykil at 746-3474.
