

Oi! Soy Candles

Just in time for Valentine's Day! Each candle is handmade, with scents mixed as skillfully as for any perfume. The all natural ingredients mean the scents are clear, and stay strong and pure to the last bit of wax, but are never too heavy or overwhelming. The candles are pure soy wax, the wicks are natural linen which burns clean, and the glass can be reused in dozens of ways. Candles burn for at least 80 hours and are available in eight scents. All proceeds will go towards PTA sponsored events, such as fieldtrips and school clubs.

Available in two choices curved signature soy glass candle & soy traveler candle tins

Quantity	Description	Traveler Tin # \$8.00	Signature Glass # \$15.00	Unit Price	Total
