HOPKINTON SCHOOL BOARD NAMES NEW SUPERINTENDENT

April 7, 2009

The Hopkinton School Board tonight named Mr. Steven Chamberlin as the Superintendent of Schools, effective July 1, 2009. Mr. Chamberlin will follow Dr. Brian Blake who resigned in January.

“We are extremely pleased to announce Steve Chamberlin as our next superintendent”, said Board chair David Luneau. “Steve embodies the qualities we are looking for in our District’s educational leader, and our Board is looking forward to working with him.”

“In searching for a new superintendent, the Board identified the qualities we were looking for up front as well as a robust selection process that involved the various stakeholder groups in our community”, cited Board vice-chair Liz Durant, who also led one of the interview teams. During the selection process, stakeholder teams representing teaching faculty, operations staff, administrators, parents and community members conducted interviews. Following a final interview, the Board unanimously approved offering the position to Mr. Chamberlin.

Mr. Chamberlin is currently Principal of the Hopkinton Middle High School, a position he has held since 2003. Prior to that, Mr. Chamberlin held positions as assistant principal in Hopkinton and math teacher at Hollis Brookline High School. Mr. Chamberlin holds two master’s degrees in education from the University of Massachusetts and Notre Dame College, and a bachelor’s degree in mathematics from Springfield College. He is presently completing his Certificate of Advanced Graduate Studies in Educational Administration from the University of New Hampshire.
